

## **Merchants Fleet Management Wins “Coolest Company for Young Professionals”**

**Hooksett, N.H. October 3, 2017** - - - Merchants Fleet Management announced today it has been awarded “Coolest Company for Young Professionals” award by Stay Work Play.

This award is given to companies in New Hampshire that create environments to attract and retain young professionals (specifically ages 40 and under). A panel of judges representing the young professional community from across the state selected Merchants as the winner.

A significant factor that allowed Merchants to rise above the competition was the variety of programming and benefits they offer to all employees from educational and mentor opportunities to health/wellness options and community involvement. Mike Reilly, CHRO of Merchants Fleet Management commented on the award stating, “We are so excited to have won this award. It is essential to our continued growth to regularly connect with the young professionals of the community and attract them to Merchants.”

The other finalists for this recognition included; CoreMedical Group, FoodState, Lindt & Sprungli, Right Networks and Scribe Software.
