

## Merchants Fleet Management Wins Nationwide Government Contract with Sourcewell

**Hooksett, N.H. October 11, 2018:** Merchants Fleet Management was recently selected by Sourcewell (formerly National Joint Powers Alliance), a national cooperative purchasing organization, in the fleet management category for its government, nonprofit, and education members. Sourcewell contracts are solicited across North America and are awarded after a thorough and competitive process.

Sourcewell's 50,000 members will have access to a variety of Merchants Fleet Management services, including accident management, driver history profiles, safety training, maintenance, toll and violations management, telematics, fuel management, compliance services, mobility leasing, and vehicle sharing.

"We're excited to be awarded a contract with Sourcewell," said Maria Neve, Government Sales Manager at Merchants. "This contract will allow us to offer our full suite of fleet management services to a variety of nonprofit, education and government agencies at competitive prices. The Sourcewell contract carries a material benefit to participating members in that the competitive process used satisfies such requirements allowing agencies to move rapidly and significantly reduce administrative burdens for any fleet need."

Sourcewell is a self-supporting government organization, partnering with education, government, and nonprofits to boost student and community success. Throughout North America, it offers a cooperative purchasing program with over 300 awarded vendors on contract. Members purchase \$3 billion in products and services annually using Sourcewell's cooperative contracts.
